- 512 MB of free hard disk space for Software installation

## **Supported Versions**

- Supported Operating Systems- Supports Windows 11, Windows 10, Windows 8, Windows 7, Vista, XP (32/64bit Version)
- Supported MS Outlook platforms- Supports Outlook 2000 to 2021 All Editions (32/64bit Version)

# 2. Install Goldy For EDB to PST Converter

### 2.1 Installation

#### Your step-by-step tutorial to installing Goldy For EDB to PST Converter Software:

To be able to seamlessly install Goldy For EDB to PST Converter Software on your computer, simply execute the steps given below:

- First and foremost, ensure that your host computer meets the minimum system requirements and has ample memory available.
- After that download Goldy For EDB to PST Converter software from the website: <u>http://www.goldytools.com</u>
- You would then need to double-click on the Goldy for EDB to PST Converter software installer.
- Simply, go through and follow the instructions as given on the screen. You would finally get to see the setup installation completion screen. Here, click on the Finish button which would then open the main screen of the Goldy for EDB to PST Converter.

#### 2.2 Uninstallation

How to uninstall Goldy for EDB to PST Converter Software?

There are two simple ways of uninstalling Goldy for EDB to PST Converter software from your computer system:

- Option 1: By using the Windows Start menu.
- Option 2: By using the Control Panel.

Kindly note: Be cautious about the fact that the Goldy for EDB to PST Converter Software is not running in the background of your computer.

### Uninstalling using the Windows Start menu

- Go to your computer desktop and click on the Start button from the Windows menu.
- Go to All Programs > Goldy for EDB to PST Converter > Uninstall Goldy for EDB to PST Converter.
- You would see a warning message confirming the uninstallation of the software on your computer screen. To confirm, click on the Yes button to Uninstall the Goldy for EDB to PST Converter.

You would then be able to successfully uninstall Goldy for EDB to PST Converter software from your computer system.

### Uninstalling using the Control Panel option

- Go to your computer desktop and click on the Start Menu > Control Panel and then double click the Add or Remove Programs icon. Choose the Goldy for EDB to PST Converter and then click on Remove.
- You would then see a warning message confirming the uninstallation of Goldy for EDB to PST Converter Software.
- To confirm, simply click on the Yes button to uninstall the Goldy for EDB to PST Converter Software.

You would then be able to successfully uninstall Goldy for EDB to PST Converter software from your computer system.

#### Export Mailboxes

You can export one or more mailboxes in PST format using this option. You have the option of exporting either the whole EDB's mailboxes to a new or existing PST, or just one specific mailbox.

You can export all the EDB's mailboxes in PST format with this option. A unique PST file will be exported for each mailbox in the EDB.

By default, the Mailbox name will be used for the PST file. Moreover, it is possible to just export certain mailboxes.

The actions listed below must be taken to export mailboxes from EDB:

From the Pop Up, right-click on the root folder of the EDB source and choose the option to Export Mailboxes.
